

Core-22 Entry Affiliate Licensing Agreement

Introduction

This agreement defines the terms of the affiliate agreement between Core-22 LLC and the affiliate purchasing an affiliate program. This agreement is available as a hyperlink as terms and conditions that must be agreed to prior to completing the purchase process, it is available upon request before the affiliate program is purchased, and it is emailed to the affiliate upon completion of the purchase process. Core-22 LLC provides affiliate organizations with an online weight loss solution (Product) that combines all the features necessary for a consumer to lose weight and control it in a healthy and sustainable way. The Product includes educational videos about the principles of weight loss and control, daily feedback messages that let users know what they are doing right or wrong each day, a social support system that provide the accountability and motivation to keep users making progress, and nutritional supplements that work with our food plan to reduce hunger, reduce cravings, and boost cell activity (metabolism) to burn more fat.

Core-22 / Affiliate relationship

The Core-22 affiliate program makes it possible for organizations (Affiliate) to promote the Core-22 product as the affiliate's weight loss solution or the nutritional component of the organization's solution. When a consumer makes a purchase using the affiliate's core-22 custom web address, Core-22 delivers the program and supplements, and the affiliate and or the affiliates sales staff earn a sales commission. The affiliate is able to communicate and follow the progress of the affiliates user's through administration portals that come with the affiliate program.

The affiliates organization is promoted to anyone using their program and to their users' supporters. The web portal used by anyone on the program and their supporters will have the affiliate's name at the top of every page in the header, branded with the affiliate's logo and colors. These portals also include an About Us page that provides information about the affiliate that is provided by the affiliate, and under the affiliate's control. This includes; contact information, hours of operation, amenities, features, services, photos, and special offers that can be downloaded by the user. This allows the affiliate to serve its members, patients, employees, insured etc. and the friends and family of users wherever they are, and as far as the affiliate's marketing programs and social networks reach.

The Entry Affiliate Program Includes:

- a) ***Affiliate URL*** – This is a custom web address that consumers will use to purchase the program.
- b) ***Promotional Material*** –500 business cards
- c) ***Administrative Portal (Management)*** – This allows the program manager to register sales associates to promote the program and earn a portion of the affiliate sales commission, view and print sales reports, view and print commission reports, view and print user success stories, edit the About Us page used in the user and supporter portals, communicate with users and track their progress, view sales associate training videos, and view videos that explains how the weight loss program works.
- d) ***Administrative Portal (Sales Associates)*** - Allows sales associates to view presentations about how the program works and how to use it from their respective positions, provides them with a unique discount code they can use to track their sales and offer a discount to potential consumers, and allows them to communicate and follow the progress of the users that sign up using their discount code.
- e) ***Dedicated Support (30-days)*** – One of our account reps will work with you and your sales associates to get the program up and running.

Sales commission (Entry Level)

Affiliates earn a sales commission for each weight loss program and supplement package sold when purchased with the affiliate's unique web address during the licensing agreement period. This commission can be shared with sales associates at the discretion of the affiliate.

Sales Commissions

- a) \$80 for each program sold
- b) \$0 for each package of supplements

Secondary Sales Commissions (None)

The Core-22 program provides motivation by asking users to enlist supporters (friends and family) to follow their progress. We offer supporters the core-22 program at the same discount provided to your sales associates every time the user they support passes a 10-pound milestone. Supporters know how well the program works and because approximately seventy percent of them are overweight, many will purchase the program for themselves or for someone they know. If you had decided to purchase a Basic or Premium Affiliate Program, when that happened, the affiliate and sales associate would have earned the same sales commission as if the program was sold by you or your sales associate directly to the supporter.

Commission payments

Commissions are calculated at the end of each month and processed for payment within 10-days. Commissions are paid directly to the affiliate and the affiliate's sales associates through Tipalti, a third party accounts payable vendor. Before that can happen, the affiliate and sales associates must provide the necessary data that allows Tipalti to perform the required verifications (social security, delinquent child support, money laundering registry) before they can cut and mail a check, or deposit the commission directly into the appropriate bank account. If for any reason Tipalti is unable to process payment, they will notify the affiliate or the affiliate's sales associate directly to correct whatever issue is preventing payment. Commissions of less than \$50 will be deferred until they exceed \$50.

Clawbacks

Because we offer users a money back guarantee, there may be times when an affiliate's user is granted a refund. If that occurs, the commission paid to the affiliate and or the affiliate's sales associate for that sale will be deducted (clawed back) from the next commission payment.

Year-End Tax Forms

IRS form 1099 will be processed and delivered to the affiliate and the affiliate's sales associates whenever the total sales commission earned by an individual exceeds \$600 in a given year as required by law.

Independent parties

The affiliate understands that he or she is an independent contractor and does not intend for this Agreement to be interpreted as an employment, agency, joint venture, or partnership relationship between the parties. Core-22 LLC will not withhold taxes of any kind; provide workers compensation or unemployment insurance coverage for affiliates or the affiliate's registered sales associates. Affiliates are free to promote the Product as much or as little as they like, in the manner of their choosing, within the confines of the terms of this agreement. Core-22 LLC will not directly manage Affiliates or the affiliate's sales associates or oversee their efforts to promote the Product.

Notices

Except as explicitly stated otherwise, any notices permitted or allowed under this Agreement must be sent to the principal contact of each party by email and deemed to have been received on the date of the email time stamp.

Non-Disclosure, Non-Compete

Affiliate acknowledges and agrees that in providing the Product, Core-22 LLC may disclose to the affiliate, certain confidential, proprietary, trade secret information (the "Confidential Information"). Confidential Information may include, but is not limited to, the content delivered to users through the program, the web-based delivery of the program, computer programs, flowcharts, diagrams, manuals, schematics, development tools, specifications, design documents, marketing information, financial information or business plans. During the period of this Agreement and for a period five years thereafter, the Affiliate agrees not to disclose any Confidential Information or any part thereof to any third party, except to the extent that such Confidential Information is or becomes generally available to the public through no fault of the Affiliate, is rightfully received by Affiliate from a third party without limitation as to its use, or is independently developed by the Affiliate. Affiliate may disclose confidential information with the prior written consent of Core-22 LLC. At the termination of this Agreement, Affiliate will return the Product and all other Confidential Information.

In consideration for the use of Product and agreed upon commissions structure, the affiliate agrees that at no time during the term of this agreement or the Five (5) year period immediately following termination of this agreement, will it attempt to develop, or assist any other business to develop, an online weight loss solution that closely approximates the Core-22 Product (information, features, principles, feedback system, social support system, technical delivery systems) and cannot use a product that closely approximates the Core-22 Product within a 10-miles radius of any club owned by the affiliate.

Appropriate Use of Product

Affiliate agrees not to duplicate, reproduce, translate, modify, copy, print out, disassemble, decompile, the Product, combine it with any other products, tamper with the product, reverse engineer or decompile, decode, decrypt, or in any other way disassemble product or in any way derive source code from the product except to the extent the enforcement the foregoing is prohibited by applicable law.

The program should be delivered to users without alteration. It works because it delivers only that information found to be critical to weight loss and weight control. There is no need for an affiliate or sales associate to explain, alter, or expand upon the principles.

The program works because the supplements provided and the Core-22 food plan work together. They provide the right combination of nutrients necessary to reduce hunger, reduce cravings, and burn the maximum amount of fat. Users of the program should not be encouraged to use a supplement substitution or be encouraged to deviate from the food plan as this will likely reduce a user's chances of success and would violate this licensing agreement.

Use of the Core-22 Name and Logo

The Affiliate is licensed to use the Core-22 LLC logo and other related names only in connection with Affiliates solicitation of sales and servicing of Core-22 LLC products during the agreement period. Any other use must first be approved by Core-22.

The obligations of Affiliate under the heading of "Non-Disclosure" above shall survive the termination of this Agreement. Commissions earned on purchases made while the agreement is in effect will be paid.
